

FOUNDATION STOCK REGISTRATION APPLICATION

This is an application to register your dog into the Petite LeFleur registry as foundation breeding stock. Since this is still a breed in development we still need to incorporate poodles and pomeranians into the breeding program. This ensures that there is enough genetic diversity to keep the breed strong and healthy. At some point the poodle and the pomeranian will no longer be needed in the breeding program and will no longer be registered as foundation stock. Not all dogs will be accepted into the registry. Dogs with obvious serious faults (i.e. fiddle fronts, pom coats, down ears in Pomeranians, short legs, and not looking like their breed) will not be accepted.
